16th November 2026

Dear Parents and Carers,

After the success of the Salvation Army Christmas Present Appeal for the past few years, we have decided to participate again this year. Compassion is an attribute we value highly at Robin Hood Junior School and this appeal is a great way for the children to acknowledge the importance of thinking of others and showing kindness. Each year the children show just how thoughtful and generous they are and this is something we are keen to encourage again.

The Salvation Army receives a list from Sutton Social Services with the number of families who need help to make sure their children have some gifts to open this Christmas. Each class will be tasked to choose one gift that they would like to buy for the child they will be allocated. They will have to think about toys that have longevity and the kinds of gifts they would like to receive if they were ever in the situation where their family, for whatever reason, was unable to provide them with everything they needed.

There will be a Non-Uniform Day on **Friday 20th November** where we are asking children to bring in at least £1 towards the gift they would like to donate. We ask that all children take their money into class with them and give their donation to their teacher. The amount each class is able to spend on their gift will be determined by how much money they collectively raise.

The gifts will then be ordered and taken over to the Salvation Army, ready to be wrapped and handed to the families for Christmas.

Many thanks for your support once again,

Miss Westbrook
PSHE Co-ordinator
