Year 6 Upcoming School Trips and Workshops - Advance Notice

As we begin the new school year, we would like to give you advance notice of the school trips and workshops that we currently have planned for the year ahead.

We know that school trips and enrichment activities provide valuable opportunities for children to learn beyond the classroom, develop new experiences and make lasting memories. We also recognise that there are additional costs involved, so we are sharing the information as early as possible to give families time to plan and budget.

The table below provides an approximate cost for the trips and workshops currently scheduled. These costs are estimates and may change slightly depending on final arrangements, transport costs and the number of children attending.

September	October	November	December	January	February
Bluebell Railway WW2 Experience **£25**	Junior Citizenship Scheme £0	WW2 VR Workshop			
March	**April**	**May**	**June**	**July**	
		Residential- *price tbc* & Non-Residential activities in school- *small cost tbc*			**Total £25**

All contributions towards school trips and workshops are voluntary. However, we do rely on sufficient contributions from families to cover the costs of these activities. If we do not receive enough contributions, unfortunately, it may not be possible for a particular trip or workshop to go ahead.

We understand that families' circumstances vary, and we do not want financial difficulties to prevent any child from benefiting from these opportunities. If you require support with the cost of a trip or workshop, please contact the school office in confidence. We will always do our best to work with families to find a suitable way forward.

The trips and workshops listed are those that we have currently scheduled. Throughout the school year, there may also be opportunities for additional visits, trips or workshops when an exciting and relevant learning opportunity becomes available. Where this happens, we will provide parents and carers with as much notice as possible, together with details of any associated costs.

Aim High
Respect, Aspire, Belong

Thank you for your continued support in helping us to provide our children with a broad range of experiences and opportunities beyond the classroom.

Yours faithfully,

Mr Webster
Head Teacher
